The image shows a graphical user interface window titled "SAILING LESSONS - MESSAGE". The window has a standard menu bar with the following items: FILE, EEDIT, VIEW, GGO, HHELP, IINSERT, and FORMAT. Below the menu bar, there are two input fields: a "TO:" field containing the email address "MY FRIEND@CORBIS.COM" and a "SUBJECT:" field containing the text "SAILING LESSONS". The main body of the window is a large text area. Inside this text area, the text "DO YOU WANT TO LEARN HOW TO SAIL?" is displayed. The word "SAIL?" is selected, and a context menu is open over it. The context menu contains the following options: CUT, COPY, PASTE, IMAGIZER, and FONT. Various reference numerals are used to identify elements: 100A points to the entire window, 102 points to the text area, 104 points to the context menu, 106 points to the selected text "SAIL?", and 108 points to the "IMAGIZER" option in the menu.
